

Mr. Manish Kotwala
Director
Strategic Planning & Performance Management
Khalifa Fund for Enterprise Development

Mr Manish Kotwala is the Director for Strategic Planning and Performance Management Department at the Khalifa Fund for Enterprise Development. He has over 20 years work experience, across various industries, and management consulting.

On behalf of the Khalifa Fund management, Manish oversees the development of Khalifa Fund's strategic plan, departmental Operating plans and monitors achievement of its targets and initiatives. Based on the management's strategic direction, his department facilitates development of new business ideas, products and services, in collaboration with other departments. He also ensures management of external stakeholders to align Khalifa Fund's deliverables with the Abu Dhabi Government's objectives. Manish is involved in various capacities in strategic projects, which improve the operations of the Fund.

Prior to joining the Fund, Manish was the Regional Head at a global management consulting firm, specializing in strategic planning, performance management and process improvement. He has an MBA, with a graduation in Engineering.
